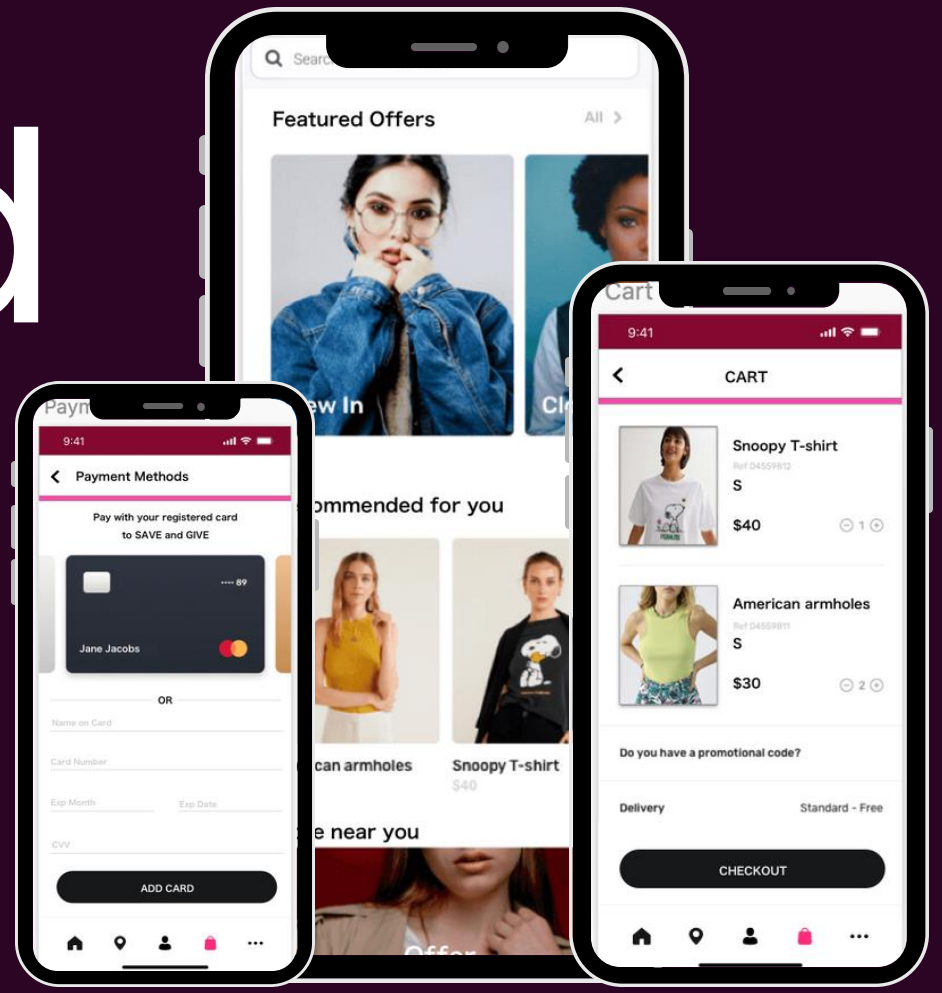
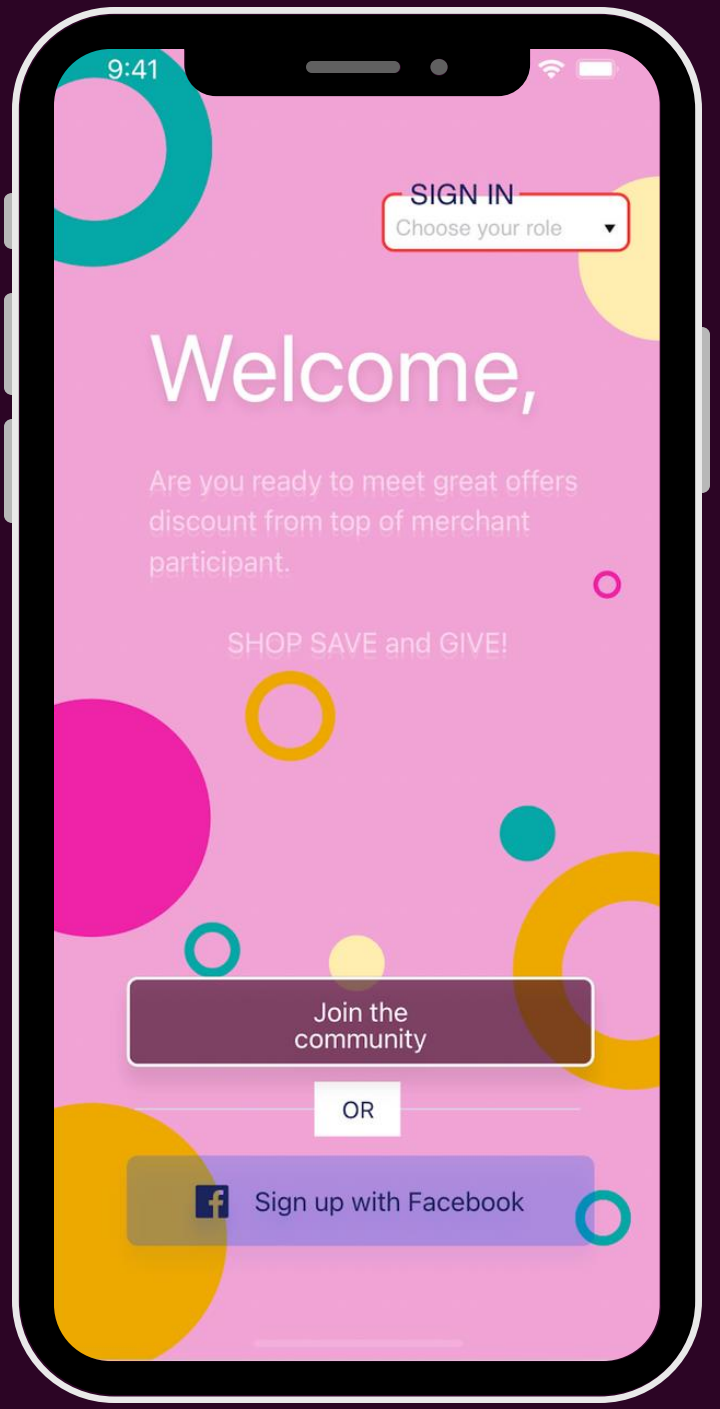
Doing Good
Apps

Part : Customer User

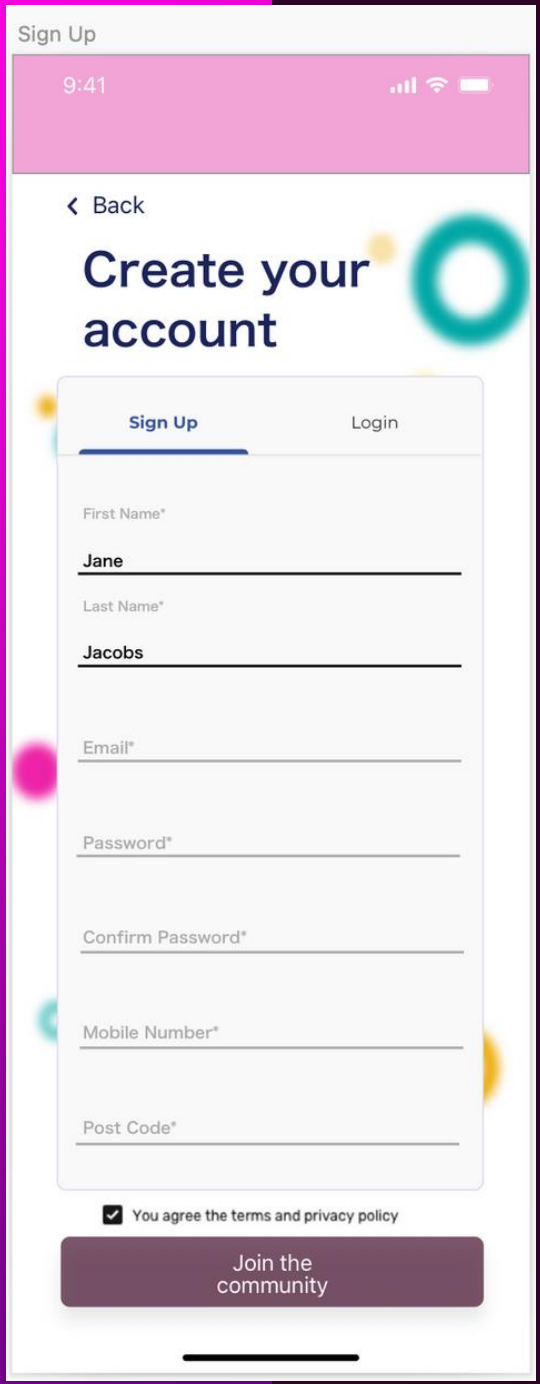




Welcome To Our Application

Application Login and Registration
The app's start page offers users two options:

- Log In: Existing users can select their account type (Customer, Merchant, or Admin) and enter their credentials.
- Register: New users can either create an account from scratch or sign up using their Facebook profile.

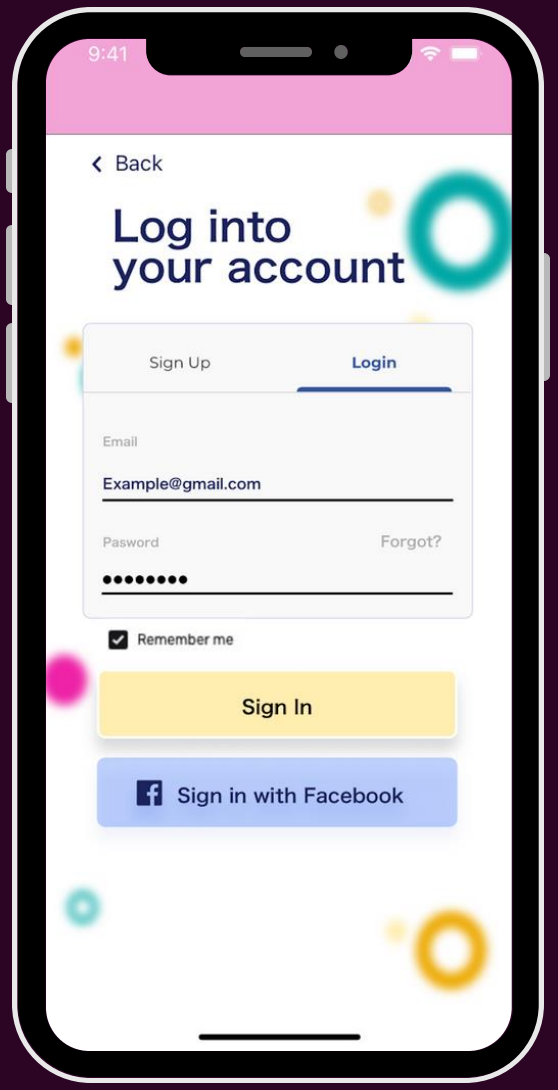


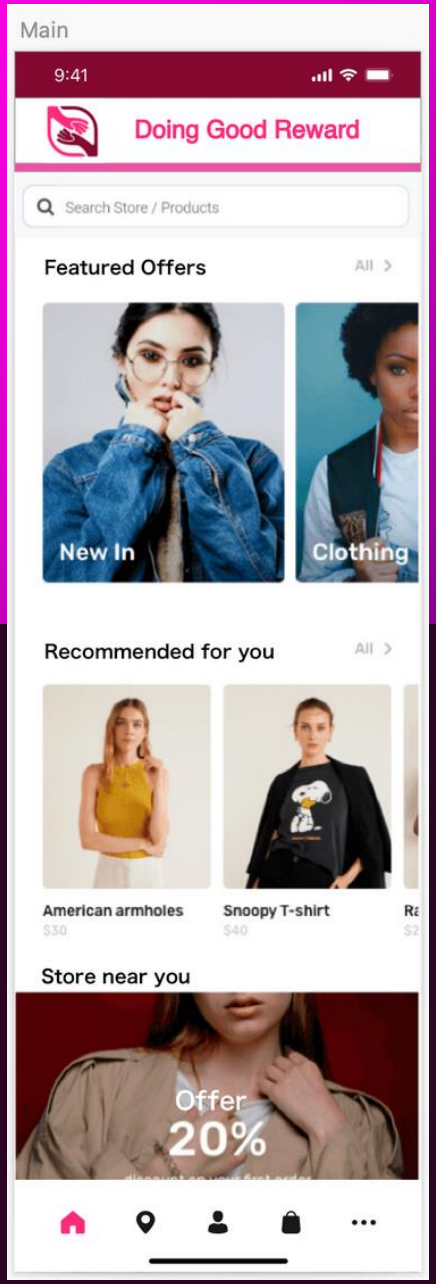
Create Account

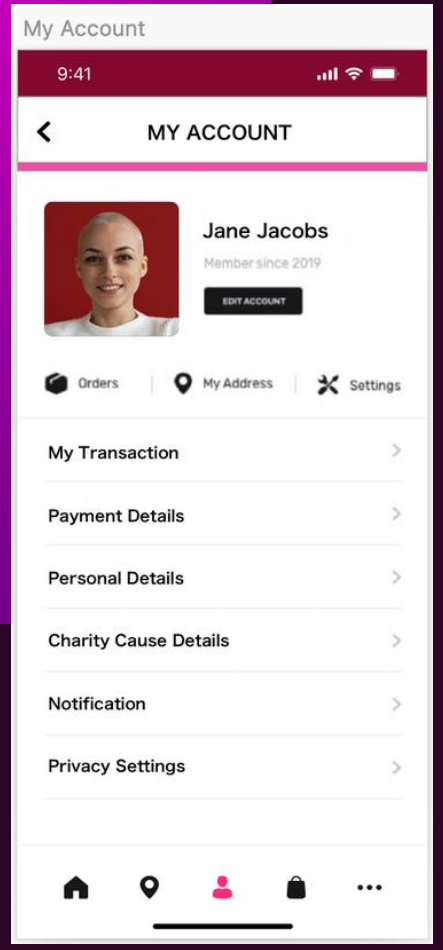
- New users must provide complete and accurate information.
- They must agree to all terms and conditions.
- Submit the registration form.

Login

- Enter the correct password associated with the registered account.
- Click on "Forgot Password" if necessary.







My Account

01 My Transaction

02 Payment Details

03 Personal Details

04 Charity Cause Details

Application Features

01

My Transactions:

- View past transactions, savings, and donations.
